Space and Naval Warfare Systems Center Charleston Awards Contract Modification

CHARLESTON, S.C. — L 3 Communications Corp., Salt Lake City, Utah was awarded on Aug. 19, 2005, a \$5,224,925 modification to a previously awarded indefinite-delivery/indefinite-quantity, firm-fixed-price contract (N65236-04-D-6199) to exercise the first option period to deliver Tactical Interface Ground Data Link II (TIGDL-II) systems to SPAWARSYSCEN Charleston. The TIGDL II systems provide real-time imagery/intelligence data from reconnaissance aircraft to ground-based Marine Corps units. This contract includes options that, if exercised, would bring the cumulative value of this contract to an estimated \$10,979,083. Work will be performed in Salt Lake City, Utah (98 percent) and Charleston, S.C. (2 percent), and is expected to be completed by September 2006 (September 2007 with options). Contract funds will not expire at the end of the current fiscal year. Funds will be obligated through the issuance of individual delivery orders. This contract was not competitively procured. The Space and Naval Warfare Systems Center, Charleston, S.C. is the contracting activity.
